West Side Family,

We're excited to share some encouraging news: thanks to the faithful giving of our church family and supporters, the mortgage on **Building 3** has been reduced from **\$300,000 to \$200,000** in just six short months! We're deeply grateful for your generosity and commitment.

Now, we have an incredible opportunity to go even further. A group of donors has pledged to **match \$20,000** toward the mortgage—**if our church family gives \$20,000**. That means together, we could knock off another **\$40,000** from our mortgage!

To take full advantage of this match, we'll be receiving a **special offering on Sunday, May 4th**. However, you're welcome to give at any time—just be sure to **clearly mark your gift for the mortgage** so it counts toward the match.

We're especially thankful for those who are stepping up to match our efforts, and we thank all of you for your continued faithfulness and dedication to the Lord's work through West Side.

Let's press forward together!
